

Hazardous Shipping Chart

Hazardous fees are levied by ALL transportation companies. BJB does not profit from these fees. If applicable, hazardous fees will be added to your product total before shipping your order. We then remit these fees directly to the transportation company. We will combine products as the law permits in order to minimize these fees whenever possible.

Part Number	Description	UPS Ground Haz Charge	UPS Air Haz Charge
AF-5 Pint	Anti-Surfactant	None	\$176.50
AF-5 Quart	Anti-Surfactant	None	\$176.50
